PRO FILE

We, Aradhya Industry, are a client-centric organization engaged in manufacturing and supplying a wide range of Industrial Machines with outstanding quality. Assembled using high-grade basic material and components, this range conforms to the defined parameters of the industry. Our products range includes Two Layer Blown Film Extruder Plant, Blown Film Mono Layer Plant, Winder Assembly, Bag Punching Machines, Blown Film Extruder Spares, Screw & Barrel for Blown Film Extruder, Helical Gear Box Spares, Die Head and Rubber & Steel Roller. Our precision engineered products ensure longer service life, efficiency, excellent performance and low power consumption. Along with this, we make continuous efforts in order to put forth uniquely designed and improved products incorporating advanced technology so as to meet expectations of the clients. Moreover, this range is available with us in different technical specifications that can be further customized as per the detailed specifications.

### MONO LAYER

MODEL : AI 30, 35, 40, 45, 50, 55

### TWO LAYER

MODEL : AI 35/35, 35/40, 35/45, 40/40, 40/45, 45/50, 50/55

MODEL	UNIT	AI-35	AI-40	AI-45	AI-55	TWO LAYERS
Screw Dia	mm	35	40	45	55	35/45
Nip Roller Size	mm	500	650	800	1065	800
Width of Lay Flat	mm	450	600	750	1000	750
Main Motor	HP	7.5	10	15	25	7.5 & 15
Take up Motor	HP	1	1	1	1	1
Out Put Max	Kg./Hr.	25	35	50	70	50
Gear Box	2 Stage	2 Stage	2 Stage	2 Stage	2 Stage	2 Stage
Die Head	-	Spiral	Spiral	Spiral	Spiral	Spiral
Air Cooling Ring	-	Single Up				
Filter	-	Candle	Candle	Candle	Candle	Candle
Winder	-	Surface	Surface	Surface	Surface	Surface
Winder Motor	HP	0.5	0.5	1	1	1
Air Blower	HP	2	2	3	3	3
Dimension	Feet	8X7X10	9X8X11	10X9X13	12X10X14	15X12X14
Heating Zone	-	5+1	5+1	5+1	6+1	12+2
Connecting Total Load	HP	20	25	30	40	40
